ABOUT HARVEY PEDIATRICS

Dr. Bryan Harvey opened Harvey Pediatrics in 1995 and relocated to Northwest Arkansas in 2010. Our practice centers on offering the very best pediatric care in a patient and employee friendly environment. Dr. Harvey graduated in 1994 from Arkansas Children's Hospital in Little Rock, Arkansas and board certified in 1995. Because of his interest in outpatient clinical research, he founded Children's Investigational Research Program (ChIRP) in 2008. ChIRP offers a wide range of research opportunities to patients.

ABOUT NORTHWEST HEALTH SYSTEM

The region's largest and most comprehensive network of medical professionals, facilities, services and technology, Northwest Health System leads the area by providing convenient, high-quality healthcare. Northwest Health System includes two acute care hospitals, a women's hospital and multiple Northwest Physicians clinics specializing in family care, senior health, internal medicine and pediatrics.

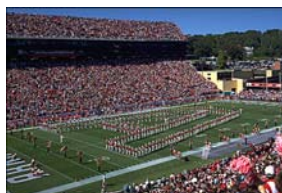

The Northwest Arkansas Community

The Northwest Arkansas metro area includes Fayetteville, Springdale, Rogers, Bentonville and Bella Vista, and has a total population of over 500,000. Nestled in the foothills of the Ozarks, our area offers incredible natural beauty and abundant opportunities for entertainment and recreation. Find culture in our museums and theaters, and take pleasure in our restaurants and fine shops. Or if you would prefer, spend the day on one of our many golf courses, fishing or boating on the White River or beautiful Beaver Lake, or take in a Razorbacks game at the University of Arkansas.

Northwest Arkansas is one of the fastest growing regions in the country. Forbes has listed the area in its Top 10 for three straight years. Our thriving economy is home to some of the world's largest businesses, including Wal-Mart, Tyson Foods, and J. B. Hunt Transport. Countless other Fortune 500 companies are also present.

Our school systems are ranked among the best in the country by Newsweek. You simply cannot find a better place for your family – or your medical practice. We have all of the resources and advantages of the big city... but still maintain a comfortable hometown feel. Come taste the best life has to offer!
